Charges to my credit card may be for variable amounts, as they may change in accordance with changes made to the policy. I waive the right to receive further notice of the date of each automatic charge to my credit card. If the charge is not honoured when submitted, 21st Century may attempt to charge that premium payment again within the next 30 days. 21st Century reserves the right to ask for an alternate credit card if payment is not honoured. I agree that a \$25 processing fee may be charged to my card in the event of each failed payment. I or 21st Century may end this payment agreement at any time by giving written notice, at which time any remaining balance of the total policy premium that has not yet been collected will become payable as a lump sum. I understand that cancelling this pre-authorized credit card charge agreement may result in loss of insurance coverage unless 21st Century receives another acceptable form of payment. I understand that failure to maintain adequate emergency medical insurance as required by Immigration, Refugees & Citizenship Canada (IRCC) is something 21st Century may be required to report to IRCC. Any refund of premium paid pursuant to this authorization shall be made to the credit card holder.
